

WEAR A SMILE WITH BASSMA

Imagine a family, where each member is in a clinical depression because of rape, debt and poverty. Imagine a family that is close to being thrown out of their home because they can't pay rent. Imagine a family that eats bread dipped in lemon juice for dinner because they can't afford the very basics. Now imagine being able to make this family smile. This is what [@BassmaLb](#) is doing by helping them with their home, nutrition, education, work and medical bills. Their condition is improving day by day, and they are slowly discovering happiness. But of course, Bassma's work wouldn't have been possible without the generous efforts of so many amazing people. Now, you can help make a family smile too... You can start by ordering your bracelet on Bassma.org/smilebracelet or call 03/068519 or find it at ABC Ashrafieh (16-22 July), City Centre Beirut (23-27 July) and LeMall Dbayeh (23-27 July)
