

SILVIO CHIHA'S

LEBANON THROUGH MY EYES BOOK SIGNING

Lebanon's hidden gems take centre stage in Silvio Chiha's book as it showcases a Lebanon that many haven't seen before. "Lebanon Through My Eyes" is a

collection of photographs of the young champion as he moves through exquisite locations around the country. The proceeds of the book were chosen to go solely to BASSMA, an NGO dedicated to empowering families and alleviating hardships in order to enhance quality of life in underprivileged families.

Virgin Megastore hosted Silvio Chiha's book signing, which was attended by HE Michel Pharaoun, Minister of Tourism, and a great number of the champion's fans and friends.
